Save Your Booty

A new Android app brings art collecting into the 21st century by allowing collectors to scan a barcode and upload an image of each of their items, keeping an inventory at their fingertips, for free.

Making the Grade

Uart Premium sanded pastel paper—available in seven grades, from 240 to 800—is pH neutral and acid free. Its consistent grain accepts underpainting using a wide variety of media and, following the underpainting, will still hold layers of pastel or colored pencil.

Sheets **\$22.70** and up
Mounted boards **\$21.06** and up
